

Some changes July 24, 2010
Silent Glide Canoe and Kayak Shop LLC
Paddling and fishing Contest.

This year contestants will be able to fish for any legal fish. Each contestant will choose one fish to weigh in. There will be a first, second and third place trophy based on weight. There will be no points for ounces of fish toward the paddling contest prizes but all those weighing in a fish must have checked in at stations 1,2 & 3 and returned by the the deadline to be eligible for a trophy.

The date will be Saturday July 24, 2010

The rest of the contest will be the same as in the past but there will be some reduction in prizes. Only the top 5 point earners will be eligible for gear prizes. Prizes will be chosen by the contestants in the order of their points. Any tie in points will be decided by a coin toss. Valuable discount certificates for the Silent Glide Canoe and Kayak Shop LLC will be available for all others.

There will be an After Lunch Fun Program with challenging and hilarious competitive events. This will be the *Paddling Games*. I suspect this will take about two hours to complete. Trophies and certificates will be the likely prizes.

Teams will be chosen by a chance drawing for each of the team events

Some events will be:

- Canoe and kayak tug of wars, team and individual. *A Brute force competition*
- Canoe and kayak 50 yard drag race, team and individual. *A skill and brute force competition*
- Canoe and kayak Slalom Course. Team and Individual. *A pure skill competition*
- Canoe and Kayak Egg and Spoon race. *A skill and speed competition*

All winners will be awarded something memorable and of course very cool.

There will need to be a minimum of 25 contestants registered by one week in advance in order to hold the contest. I am asking all participants to advertise by placing flyers in locations near where they live and work and spreading the information as much as possible by word of mouth. Total event Registration will be \$25 for each adult contestant and \$15 for each youth 13 and under. Separate Afternoon registration only will be \$15 for adults and \$10 for youth 13 and under.

Some changes may be made by the official event committee to rules and schedules if necessary to increase safety or in the name of fairness. Overly competitive behaviors that can cause harm to others will reason for disqualification.
